

**Rural Municipality of Sifton
CUSTOM WORK RATES 2021**

- 1. Purpose:**
- 1. The RM of Sifton performs custom work and rents out equipment that it owns when available as determined by Council with consultation with the Municipal Foreman.
 - 2. In order to maintain consistency, rates should be set out prior to the work or rental taking place.
 - 3. The purpose of this policy is to establish rates for custom work and equipment rental for the Municipality and the ratepayers it serves.

- Procedures:**
- 1. The RM of Sifton encourages ratepayers to contact private operators.
 - 2. The Municipality may enter agreements with other municipalities and/or provincial/federal agencies for custom work and the rates to be charged will be in accordance with the Manitoba Heavy Construction Annuals rates or as to be determined by both parties.
 - 3. Requests for Custom Work to be done outside the physical boundaries of the Municipality are to be at the discretion of the whole of Council.
 - 4. Fuel surcharge may be applicable at the time of request if work location is outside the municipality.
 - 5. The following rates shall be used:
