READY TO MOVE HOMES (RTM'S)

RTM buildings from outside the Dennis County Planning District shall have been inspected by the Authority in that jurisdiction, and a letter stating such and signed by the authority is to accompany the permit.

Where there is no such authority, the Dennis County Planning District may carry out the inspection, and the costs paid by the applicant.

REQUIRMENTS

1. A development/ building permit is required for all RTMs coming into the district.
2. A site plan is required so to determine the proper setbacks for the building.
3. A copy of a letter from the building official, stating that the building has been inspected in the jurisdiction of origin and meets code requirements.

It should be noted that RTMs built outside Manitoba, might not meet the Manitoba Building Code and consultation with the local Building Official is advised.

If you have any further concerns please call the Dennis County Planning District at (204) 851-0380.
